"I have been very impressed with this filly so far. She has got a lot of strength and athelticism and a great hind leg which is so important for sprinters. I love the way she moves and she has a lot of similarities to Tenaya Canyon, the only other Due Diligence I have trained. At this stage she is a stronger, more substantial type. She is well related from a good family and is qualified 100% for the Great British Bonus which is a huge incentive. I am very excited to be training her."

KINGSDOWN RACING CLUB

GENERAL INFORMATION & COSTS

For the full terms and conditions, please refer to the Kingsdown Racing Club Contract attached.

Membership

The cost of one Membership is £400.

There is no limit on the amount of memberships one can purchase per person.

After 18th December 2022, memberships will be advertised to non Racegoers Club members, providing we have not reached our maximum capacity of 120 members.

Memberships are not sold as investment opportunities and no member should purchase a membership for reasons other than recreational enjoyment.

A contract will be sent for members to agree to the clubs terms and conditions prior to payment. The contract will include payment details.

Duration

The membership will run from 1st November 2022 to 1st November 2023 with a chance to renew membership on this date. The horse commenced breaking/pre training on 1st November 2022.

Naming

Members will be given the option to put forward names in due course and a name will be decided by a voting system.

Badges

Badges will be allocated by a ballot system. If a member has more than one membership, for example 2, they will be entered into the ballot twice. There may be occasions when we can allocate more badges due to other runners at the meeting.

Returns To Members

The amounts returnable to each member, shall be the total income (including prize money won) less total expenditure shown in the accounts, divided by the number of shares issued. This will be distributed after the first year of membership.

The Club will be registered onto the Vat Scheme for Racehorse Owners, thereby enabling VAT on training and racing expenses to be reclaimed.

Costs

The cost of each Membership will include:

- Training Costs
- Farrier Costs
- Vet fees
- Travel Expenses in UK
- Racing Expenses
- Physio
- Syndicate registration and running costs
